

The theme of the 2019 Edinburgh World Justice Festival is

**Climate Justice: The world we want and how we achieve it?**

The recent UN IPCC report highlighted the urgency of stopping climate catastrophe. Globally there needs to be a rapid transition to a net zero carbon economy. Around the world we see signs of a mass movement starting to find its feet. The youth strikes 4 climate are inspirational.

This year's festival is an opportunity to come together to share ideas and learn from each other. EWJF 2019 runs for 3 weeks from 28th September to 19th October and provides a space to discuss the big ideas; how they inform what we do and how they translate into action for change.
